“Apocalypse Lullaby” by The Wailin’ Jennys

Hurricanes will come  
Earthquakes break the walls  
Oceans rise  
Empires fall

Enter world, light unshown  
Follow heart, follow home  
Here we are, light unshown  
One round heart, one round home

Spin the speed of light  
Tetrahedron blue  
One last paradise  
You can make for you  
Enter world, light unshown  
Follow heart, follow home  
Here we are, light unshown  
One round heart, one round home

Faster than a ship  
Further than bomb  
See the glowing grid  
Send love throughout the throng

Enter world, light unshown  
Follow heart, follow home  
Here we are, light unshone  
One round heart, one round home

“Purpose” by Justin Bieber

Feeling like I'm breathing my last breath  
Feeling like I'm walking my last steps  
Look at all of these tears I've wept  
Look at all the promises that I've kept

I put my all into your hands  
Here's my soul to keep  
I let you in with all that I can  
You're not hard to reach

And you bless me with the best gift  
That I've ever known  
You give me purpose  
Yeah, you've given me purpose

Thinking my journey's come to an end  
Sending out a farewell to my friends, for inner  
peace  
Ask you to forgive me for my sins, oh would you  
please?  
I'm more than grateful for the time we spent  
My spirit's at ease

I put my heart into your hands  
Learn the lessons you teach  
No matter when, wherever I am  
You're not hard to reach

And you've given me the best gift  
That I've ever known  
You give me purpose everyday  
You give me purpose in every way

Oh, you are my everything  
Oh, you are my everything
