**“I Am Light” by India Arie**

***Lyrics:***

I am light, I am light  
I am light, I am light  
I am light, I am light  
I am light, I am light

I am not the things my family did  
I am not the voices in my head  
I am not the pieces of the brokenness inside  
I am light, I am light

I'm not the mistakes that I have made  
Or any of the things that caused me pain  
I am not the pieces of the dream I left behind  
I am light, I am light

I am not the color of my eyes  
I am not the skin on the outside  
I am not my age  
I am not my race  
My soul inside is all light, all light  
Oh light, all light

I am light, I am light  
I am light, I am light  
I am divinity defined  
I am the God on the inside  
I am a star, a piece of it all  
I am light

**“Lighter Things” by Charlotte Sass**

***Lyrics:***

Find me in the lighter things,  
Skip a rope with me.  
Find me where the little girl sings,  
A nonsense little ditty.  
Find me in the lighter things,  
The heavy wears me out.  
Whisper a wind unto my wings  
And wash away my doubt.  
And find me in the lighter things.

Find me in the lighter things,  
My sorrow self implodes.  
My heart in a vice my body stings  
Please lighten up this load,  
And find me in the lighter things.

Illuminez, eclairez, donnez moi du feu,  
Se reveille, n'éteins pas la lumière.

Find me in the lighter things,  
Come and dance with me.  
I want to be free but my heart clings  
To all that's good around me.

Find me in the lighter things.  
Can't we move to major from minor?  
Such melancholy that lower third brings,  
But minor seems much finer to me.  
So find me in the lighter things.
