**"Heavenly Day" by Patti Griffin**

*Lyrics:*

Oh, heavenly day  
All the clouds blew away  
Got no trouble today with anyone

The smile on your face, I live only to see  
It's enough for me, baby, it's enough for me  
Oh, heavenly day, heavenly day, heavenly day

Tomorrow may rain with sorrow  
Here's a little time we can borrow  
Forget all our troubles in these moments so few  
Oh because right now is only thing  
That all that we really have to do

Is have ourselves, a heavenly day  
Lay here and watch the trees sway  
Oh, can't see no other way, no way, no way  
Heavenly day, heavenly day, heavenly day

No one at my shoulder bringing me fears  
Got no clouds up above me bringing me tears  
Got nothing to tell you, I've got nothing much to say  
Only I'm glad to be here with you  
On this heavenly, heavenly, heavenly, heavenly day

Oh, all the trouble gone away, oh  
For a while anyway, for a while anyway  
Heavenly day, heavenly day, heavenly day....

**"When the Day Comes" by Clare Church**

*Lyrics:*

When the day comes  
We ask ourselves,  
Where can we find light in this never ending shade?

The loss we carry a sea we must wade  
And yet the dawn is ours before we knew it!

Somehow we do it! Somehow we do it!  
Somehow we've weathered and witnessed a nation  
That isn't broken  
But simply unfinished.

**"Try For Thunder" by Chamberlain**

*Lyrics:*

I haven't smiled in a long time  
But I've learned how to look impressed  
Learned to lose the dreams I had when I was at my best

When I was a boy on the back lawn  
Faith, like a gun, I'd find  
And be it loaded or not I'd keep it at my side

This voice inside keeps saying:  
"congratulations on what you've done  
On all you are and all that you won't become."  
But even when it's hard I guess I'm never where I don't belong  
And I'll get there by knowing I'd get there all along

This life to me it's like a try for thunder  
This sky that I'm under it's the best sky for me

I've learned less from daylight  
Than from night threatening to leave  
All along my voice goes after what my hands cannot reach  
I ran through the fog without you  
Through the low hard language of rain  
Afraid that if I caught what I came for I'd never want it again

This life to me it's like a try for thunder  
This sky that I'm under it says God's been good to me
