**“In Love” by Charlotte Sass**

*Lyrics:*

In love I find my breath,  
The air, a sweet caress.  
And I can't control it, hold it, mold it,  
It simply comes and goes.

In love I find my quiet abandon.  
My beating heart its only companion.  
And I can't contain it, reign it, sustain it.  
It simply comes and goes.

*REFRAIN*

And the wind, it whispers like it knows its part,  
Dances through the aspen and kisses my heart.  
And off it goes again...

In love I find my smile.  
Nothing left to defile.

And I can't force it, or map its course,  
It simply comes and goes.

*REFRAIN*

Teach me to love like this  
To simply blow my kiss...  
For free.

*REFRAIN*

**“Everybody” by Ingrid Michaelson**

*Lyrics:*

We have fallen down again tonight  
In this world it's hard to get it right  
Trying to make your heart fit like a glove  
What it needs is love, love, love

*REFRAIN*

Everybody, everybody wants to love  
Everybody, everybody wants to be loved  
Oh oh oh  
Oh oh oh

Happy is the heart that still feels pain  
Darkness drains and light will come again  
Swing open up your chest and let it in  
Just let the love, love, love begin

*REFRAIN*

Oh, everybody knows the love  
Everybody holds the love  
Everybody folds for love  
Everybody feels the love  
Everybody steals the love  
Everybody heals with love

Oh oh oh oh  
Just let the love love love begin

*REFRAIN*
