“Oh When The Saints”

- 1.) Oh, when the Saints go marching in,
Oh, when the Saints go marching in,
Oh I want to be in that number,
When the Saints go marching in.
- 2.) And when the sun begins to shine,
And when the sun begins to shine,
Oh I want to be in that number,
When the Saints go marching in.
- 3.) Oh, when the trumpet sounds its call,
Oh, when the trumpet sounds its call,
Oh I want to be in that number,
When the Saints go marching in.
- 4.) Oh when the drums begin to bang,
Oh when the drums begin to bang,
Oh I want to be in that number,
When the Saints go marching in.
- 5.) Oh, when the Saints go marching in,
Oh, when the Saints go marching in,
Oh I want to be in that number,
When the Saints go marching in.

“Morning Sun” by Melody Gardot

Hey little baby
Don't you cry
We got that sunny morning waiting on
us now
There's a light at the end of the tunnel
We can be worry-free
Just take it from me
Honey child
Let me tell you now, child

That morning sun is here to greet us
With a loving light, so warm
That morning sun is here to meet us
Waiting on the waking up of everyone
She ain't gonna quit
'Til you're smiling now
Let me tell you child
Let me tell you honey, child

That morning sun has come to greet you
She's peeking 'round the corner
Just waiting just to meet you
Shining down on all your troubles
Let me tell you child
Let me tell you honey, child

'Cause this world wasn't made for
dreaming
This world wasn't made for you
This world made for believing
In all the things you're gonna do
Now honey child
Let me tell you now child
